- **Unallocated (unsegregated) Coins or Bars** – You have title to precious metal deposited in a storage account and deliverable in a fabricated form within ten business days of your instruction to do so. You pay NO storage fees on this option.

You pay NO storage fees on this option. Unallocated metal shall be converted to Allocated metal within ten business days of your instruction to do so.

In the case of Allocated storage, an annual storage and insurance fee is payable. Contact **PMCG Pty Ltd** for a list of current storage fees.

- Calculation of your storage fees is based on the purchase value of your precious metal and is fixed at the time of purchase. Accordingly, future storage fees are not affected by changes to precious metal spot prices or the storage fee schedule.

- Annual storage fees are collected every three years in arrears, with one year's storage payable at the time of purchase.

- The Perth Mint reserves the right to close your storage facility and/or liquidate your precious metal to recover unpaid storage fees.

GOVERNMENT GUARANTEE

All precious metal held under the PMCP in both allocated or unallocated storage accounts is covered by a Western Australian Government guarantee under Section 22(1) of the *Gold Corporation Act 1987*.

The Mint undertakes to fulfil its client physical precious metal delivery obligations at all times. Under the PMCP Terms and Conditions Clause 7, The Perth Mint has a legal obligation to ensure client precious metal is available for collection within a specific period from the date of receiving a client's instructions. Hence any use by the Mint of unallocated metal under Clause 3 does not affect a client's right at any time to sell or request delivery of metal in a physical allocated form.

Gold Corporation, the owner and operator of The Perth Mint, does not use client metal for short selling transactions or any derivative activities. The Mint's business mission is to provide its many domestic and international investors with one of the world's safest locations for storing their precious metal assets, and specifically excludes such activities.

The Corporation has a Board of Directors that includes the Under Treasurer of the State of Western Australia. The Corporation is audited annually by the State Auditor General to ensure compliance with the *Financial Administration & Audit Act 1985* and the *Gold Corporation Act 1987*.

OPENING A STORAGE ACCOUNT

A minimum precious metal purchase of AUD \$5,000 is required to open your PMCP storage account. This amount can be held in multiple Perth Mint

Certificates. You must maintain a minimum balance of precious metals worth AUD 5,000.

To open a PMCP storage account, you must provide **PMCG Pty Ltd** with the following documents:

- a properly completed and authenticated Application Form; and
- acceptable identification documentation.

Acceptable identification endorsed by a Notary Public or an equivalent agency is required to ensure the confidentiality and security of your storage account. This is especially important if you intend to collect your metal from The Perth Mint.

Perth Mint Certificates may be held either individually or jointly. For each individual, notarised copies of a passport and any license issued by law (e.g. driver's license) is acceptable. If you do not have these documents, **PMCG Pty Ltd** can advise you of other acceptable personal identification documents on request.

A Certificate also may be issued in the name of a trust or corporation by providing notarised copies of the entity's certificate of incorporation or registration and its authorised signatories. Additional personal identification documents for authorised signatories are recommended where there may be physical collection of metal.

Once **PMCG Pty Ltd** has accepted your Application Form and received cleared funds, you may purchase any listed precious metal products.

PURCHASES

Contact **PMCG Pty Ltd** for a list of available precious metal coin and bar products. The cost of purchasing precious metal products may have up to four components, depending on the type of storage.

Precious Metal Value

The precious metal value is calculated by multiplying the total fine ounces of metal purchased by the Mint's selling price per ounce. Precious metal prices change daily, **PMCG Pty Ltd** shall inform you of the selling price at the time of your purchase.

Fabrication Fee

If you chose a coin or bar product, a fabrication fee shall be payable. Unallocated Bullion currently attracts no fabrication fee. Please contact **PMCG Pty Ltd** for a product list with fabrication fees.

Storage Fee

If you chose Allocated storage, an annual storage fee shall be payable (see Storage Options for further details). Unallocated storage currently attracts no storage fee.

Certificate/Administration Fee

There is a Certificate/administration fee for each Perth Mint Certificate. Contact **PMCG Pty Ltd** for details of this fee in your region. Only one product is permitted on each Certificate. There is no limit on product quantity.

Perth Mint Certificates are purchased directly from **PMCG Pty Ltd**. You may purchase precious metal at the London AM or PM Fix, or at the Perth Mint Spot ask price (the price at which The Perth Mint is currently selling precious metal). The Perth Mint shall issue a Certificate to you and send it to **PMCG Pty Ltd**. We will forward your Certificate to you, together with the transaction details.

SALES

Perth Mint Certificates can be sold directly through **PMCG Pty Ltd**. You may sell precious metal at the London AM or PM Fix, or the Perth Mint Spot bid price (the price at which the Perth Mint is currently purchasing precious metal).

You should complete the "To be completed by Owner" section of the Transfer block on the reverse of the Certificate, inserting **PMCG Pty Ltd's** name as the Transferee, and mail the Certificate to us. Once your Certificate is received and verified by The Perth Mint, it will deposit the sale funds into **PMCG Pty Ltd's** bank account. We will then forward the funds to you, together with the transaction details.

If you liquidate only part of your PMCP holdings, The Perth Mint will issue you a new Certificate indicating your reduced holding.

TRANSFERS

Perth Mint Certificates can be transferred directly to third parties. **PMCG Pty Ltd** can facilitate the process and ensure it proceeds smoothly.

When The Perth Mint receives the correctly transferred Certificate and other documentation, it shall invoice the Transferee for any storage fees due and a new Certificate fee. After payment of these fees, The Perth Mint shall enter the name of the Transferee on its register and issue a new Certificate

to the Transferee.

COLLECTIONS

You may arrange collection or delivery of precious metal held on your Perth Mint Certificate at any time. The Perth Mint requires ten business days' notice for collecting Unallocated holdings and two business days' notice for Allocated holdings.

Depending on the type of storage you originally selected and the method of delivery, outstanding storage fees, fabrication charges, delivery fees or Certificate fees may be payable. **PMCG Pty Ltd** can facilitate the process and ensure it proceeds smoothly.

LOST CERTIFICATES

Lost Perth Mint Certificates shall be replaced by The Perth Mint. If you lose your Perth Mint Certificate you must complete an Application for a Replacement Perth Mint Certificate form, which shall be provided by **PMCG Pty Ltd** on request.

The Perth Mint shall cancel your original Certificate number and issue a new one to you after verifying your Application and receiving payment for a new Certificate fee.

5 Purchase and sale of Commodities

5.1 Prompt payment required

(a) The total purchase cost for a Commodity purchased from The Perth Mint is payable immediately via an Approved Dealer and must be received by The Perth Mint within two business days of the pricing date.

(b) If the Owner or Approved Dealer fails to make any payment when due, The Perth Mint will be relieved of all obligations in the transaction and may recover from the Owner or the Approved Dealer as liquidated damages the difference between the purchase price agreed to by the Owner and the price at which The Perth Mint is then offering to buy the Commodity the Owner committed to purchase through the Approved

Dealer.

(c) The Approved Dealer's receipt and acceptance of the Owner's funds after the due date for their receipt shall not constitute a waiver of or limit The Perth Mint's or the Approved Dealer's remedies for the Owner's default and the Owner shall not be entitled to the benefit of any appreciation in the value of the Commodity the Owner committed to purchase but failed to pay for by the due date.

5.2 Title

(a) While a Commodity is held on behalf of the Owner in the Storage Facility, title shall at all times remain with the Owner.

6 Joint Account

6.1 If there are two or more Owners as parties to this Agreement, each Owner hereby declares they are the joint owner with each other Owner of rights to

the Commodity lodged in the Storage Facility opened in the names of the Owners as joint tenants with rights of survivorship and not as tenants in common.

6.2 Each Owner shall have full power, either before or after the death of any other Owner, to make withdrawals from the Storage Facility and upon the death of any Owner the balance then remaining in the Storage Facility shall be the absolute property of the survivor or survivors as the sole and absolute owner or owners thereof.

6.3 All obligations of Owners under this Agreement are joint and several. This clause shall apply to all Commodities in the Storage Facility and all cheques and drafts payable to the order of any or all Owners, irrespective of whether or not any such cheque or draft shall bear the endorsement of any or all of them.

6.4 Each Owner hereby jointly and severally on behalf of themselves and their respective heirs, executors, administrators and assigns, agrees to indemnify and save The Perth Mint forever harmless from any and all liability, loss or damage, howsoever arising, for relying on the instructions of any such Owner or by reason of delivery or payment to the survivor or survivors of the balance remaining in the Storage Facility at the time of death of any of the Owners.

7 Nature of terms and conditions

These Application Conditions and the PMCP Terms and Conditions shall apply to all transactions between the Owner and The Perth Mint, including not only storage but also all purchases from and sales to The Perth Mint of a Commodity.

8 Amendment

8.1 The Perth Mint reserves the right to change the terms and conditions of storage and delivery specified on issuance of the Certificate upon mailed notification to the Owner, and continued use of The Perth Mint's services by the Owner after receipt of such notice will constitute acceptance of those changes.

9 Termination

The Perth Mint may terminate the Owner's participation in the PMCP at any time upon 30 days' written notice. Upon termination the Owner shall

arrange, unless otherwise agreed to by the parties, to transfer the Certificate to an Approved Dealer for liquidation or accept delivery of a Commodity pursuant to these Application Conditions and the PMCP Terms and Conditions.

10 Force Majeure

10.1 Definition

Under this Agreement, Force Majeure means any act, event or cause that is beyond the reasonable control of The Perth Mint, including but not limited to: an act of God, accident of navigation, war (whether declared or not), sabotage, riot, insurrection, civil commotion, national emergency (whether in fact or law), martial law, fire, lightning, flood, earthquake, landslide, storm or other severe adverse weather conditions, explosion, power shortage, strike or other labour difficulty (whether or not involving employees of the party concerned), epidemic, quarantine, radiation or radioactive contamination.

10.2 Scope

If The Perth Mint is unable, wholly or in part, to perform any of its obligations under this Agreement as a result of Force Majeure, then:

- (a) The Perth Mint shall give to the Client prompt notice of the Force Majeure and, in so far as its far known to it, the probable extent to which it shall be unable to perform, or be delayed in performing obligations;
- (b) These obligations shall be suspended, but only so and for so long as The Perth Mint is affected by the Force Majeure;
- (c) The Perth Mint shall resume performance of its obligations under this Agreement as soon as it is no longer affected by the Force Majeure.

11 General

11.1 The Perth Mint reserves the right to reject any application for participation in the PMCP.

11.2 On acceptance of an application to participate in the PMCP by The Perth Mint, The Perth Mint shall send to the Owner's Approved Dealer, for delivery to the Owner, a Certificate clearly delineating the Commodity stored on behalf of the Owner, as well as the name of the Owner. Such a Certificate shall be considered correct unless the Owner or the Owner's authorised agent notifies The Perth Mint no later than ten days after receipt of the Certificate.

11.3 If the Owner has authorised an agent (which may include the Owner's Approved Dealer) to provide directions to The Perth Mint on behalf of the Owner in accordance with an operating authority:

- (a) the Owner represents and warrants that such

agent shall not have independent or discretionary authority to give directions on behalf of the Owner to The Perth Mint, and that all directions given to The Perth Mint by the agent are only at the specific instruction of the Owner;

(b) The Perth Mint shall be entitled to rely on all directions provided by such agent as directions authorised by and given on behalf of the Owner until The Perth Mint is notified in writing by the Owner that such authority has been withdrawn;

(c) The Owner shall hold The Perth Mint harmless for following the directions of such agent until written notice of withdrawal of the agent's authority is received from the Owner by The Perth Mint; and

(d) the Owner acknowledges that The Perth Mint is not liable for any loss or damage resulting from The Perth Mint acting reasonably in response to a fraudulent instruction where The Perth Mint has no actual knowledge of the fraud.

11.4 The Owner agrees to pay, indemnify and save harmless The Perth Mint from and against any tax or other levy, including any goods or services tax, imposed by any Governmental Agency, now or in the future, in respect of ownership, transfer, liquidation or delivery of the Owner's Commodity or any dealing on any Storage Account relating to the Owner's participation in the PMCP.

11.5 A schedule of fees may be published by The Perth Mint from time to time, which will include handling and storage and fabrication fees. Any costs incurred in respect of special arrangements requested by the Owner for the delivery or storage of a Commodity must be paid in full by the Owner. Fees may be subject to variation from time to time, and notice of any variation will be forwarded to the Owner.

11.6 The Owner acknowledges and agrees that:

(a) The Perth Mint has not offered or given and will not provide any investment advice in connection with a Commodity and has not offered or given any opinion with respect to the suitability of any Commodity transaction made or which might be made by the Owner;

(b) Commodity markets are volatile. Investments in Commodities involve a high degree of risk and are not suitable for all persons. Losses may be incurred both as a result of Commodity price diminution and if price gains do not exceed applicable storage, handling, delivery and related fees. The Owner has read and understands the terms of these Application Conditions and the PMCP Terms and Conditions and acknowledges that all risk of decline in the market value of a

Commodity is the Owner's risk and not that of The Perth Mint. If a client is in any doubt as to the suitability of a Commodity as an investment he should contact his legal or financial adviser before commencing trading; and

(c) investment in a Commodity provides no guarantee of interest or yield.

11.7 The terms of the Owner's involvement in the PMCP, including details provided by the Owner for the purposes of identification, must remain confidential between the parties and their authorised agents (including the Owner's Approved Dealer), subject to any applicable laws, statutes or regulations and the obligations of each party.

11.8 If a Certificate is lost or destroyed, the Owner must notify The Perth Mint immediately on becoming aware of the loss or destruction by sending The Perth Mint a duly executed Lost Certificate Form in the format required under the PMCP Operating Procedures. Upon receipt of a correctly executed Lost Certificate Form, The Perth Mint will cancel the lost certificate and issue a replacement Certificate in the name of the Owner to the Owner or the Owner's authorised agent (which may be the Owner's Approved Dealer) in accordance with PMCP Operating Procedures.

11.9 These Application Conditions and the PMCP Terms and Conditions shall supersede any oral agreements or representations made on behalf of The Perth Mint.

11.10 The Owner represents and warrants to The Perth Mint that:

(a) all representations made by the Owner to The Perth Mint pursuant to this application are true and correct; and

(b) performance by the Owner of these Application Conditions and the PMCP Terms and Conditions will comply with all applicable laws.

TERMS AND CONDITIONS

The Terms and Conditions below appear on the front of each Perth Mint Certificate.

1. The Perth Mint, being the trading name of Gold Corporation, a statutory body corporate existing under the Gold Corporation Act 1987 of Western Australia ("The Perth Mint") acknowledges insured storage of the commodity described on the Certificate (the "Commodity") on behalf of the persons identified as the owner on the Certificate (the "Owner") and agrees to comply with the instructions by the Owner regarding transfer or delivery of the stated Commodity. Delivery to or upon the instructions of any one person who is an

Owner identified on the Certificate shall satisfy The Perth Mint's obligations hereunder.

2. The Perth Mint and the Owner both acknowledge that the Certificate is non-negotiable and that the Commodity described on it is transferable to a new Owner only by executing the Transfer Form on the Certificate and returning it to The Perth Mint, which will amend the register and issue a Certificate in the name of the new Owner. The new Owner agrees to be bound by the Terms and Conditions expressed on the Certificate. Transfer of a Commodity is not complete unless and until entered in the register of The Perth Mint.

3. The Owner acknowledges that it holds at its election either an unallocated Commodity as an owner in common, or an allocated Commodity. An unallocated Commodity need not be stored separately so as to permit its identification to the Owner and may be maintained in bulk storage on a fungible basis with the Commodities of other clients of The Perth Mint. The Owner authorises The Perth Mint to deal with all or part of the unallocated Commodity as if it were the owner, subject to its obligations under the Certificate. The Owner acknowledges that The Perth Mint may be the owner of the Commodity at the time the Certificate is issued.

4. The Owner acknowledges that The Perth Mint is not bound to recognise any security interest in the Commodity described on a Certificate granted by the Owner to any third party. However, if a third party purporting to be a security holder presents the Certificate for transfer by the Owner in accordance with the Terms and Conditions of the Certificate including the signature guarantee of the Owner itself or by attorney, then The Perth Mint will comply with that instruction by the Owner, amend the register and issue a Certificate in the name of that third party as the new Owner in accordance with the Certificate.

5. Subject to these terms and conditions, payment of the cash equivalent of a Commodity due, payable and deliverable by The Perth Mint to the Owner is guaranteed by the Government of the State of Western Australia.

6. The Perth Mint and the Owner both acknowledge that the liability to deliver the Commodity specified on this Certificate will be discharged by delivering it in accordance with the instructions of the Owner, subject to The Perth Mint's right to deduct all associated charges including, but not limited to, shipping, insurance, accrued storage and fabrication fees as applicable, which shall be at the Owner's cost. The Perth Mint shall have a lien on the Commodity

stored with it and on the proceeds from the sale thereof to secure the payment of such associated charges and for all of its costs in collecting such charges.

7. The Perth Mint and the Owner acknowledge that the Owner's unallocated Commodity may be converted to an allocated Commodity at any time, which will be available for collection and/or shipment from The Perth Mint no later than ten business days from the date of receiving an Owner's instruction for conversion. An allocated Commodity will be available for collection and/or shipment from The Perth Mint no later than two business days from the date of receiving an Owner's instruction. The Perth Mint will not be liable or responsible for delivery delays due to causes beyond its control.

8. The Owner acknowledges that The Perth Mint will charge the annual storage fee indicated on the Certificate for allocated storage of a Commodity, which will be collected every three years in arrears. A minimum of one year's storage fees must be paid on initial purchase of a Commodity, which will not be refunded upon transfer, liquidation or delivery. The Perth Mint reserves the right to close the Owner's storage facility and/or sell any or all of the Owner's Commodity and use the proceeds to recover unpaid storage fees and any other overdue charges.

9. The Perth Mint reserves the right to change the Terms and Conditions of storage and delivery specified on issuance of the Certificate upon mailed notification to the Owner, and continued use of The Perth Mint's services by the Owner after receipt of such notice will constitute acceptance of those changes.

10. The Owner acknowledges that The Perth Mint is not liable for any loss or damage resulting from The Perth Mint acting reasonably in response to a fraudulent instruction where The Perth Mint has no actual knowledge of the fraud.

11. The Owner acknowledges it is the Owner's responsibility to safeguard the Certificate and agrees to notify The Perth Mint immediately on becoming aware of the loss or theft of a Certificate. In the event of conflicting claims to a Certificate or the Commodity described on a Certificate, The Perth Mint shall not be required to determine the controversy or to take any action regarding it, but may instead file an action in interpleader in a court of appropriate jurisdiction, which shall include the United States Federal District Court for the District of California.

The Perth Mint is authorised to deposit with the

clerk of the court the Commodity described on the Certificate. Upon initiating such action, The Perth Mint shall be fully released and discharged of and from all liabilities under the certificate, except such liabilities as may be occasioned by The Perth Mint's bad faith, gross negligence or willful misconduct.

12. The Owner and The Perth Mint both acknowledge that the Owner can only sell the Commodity described on the Certificate other than after delivery by transferring the Certificate to an Approved Dealer in accordance with the transfer and liquidation instructions below. On surrender of a Certificate in this manner The Perth Mint is not bound to enquire as to the satisfaction of any payment to the former Owner.

13. The Owner acknowledges and agrees that The Perth Mint's maximum liability to the Owner if it fails to make available for delivery the Commodity described on the Certificate pursuant to proper instructions from the Owner shall be the London AM fix price of the Commodity on the delivery date as specified by the Owner's instructions, subject to clause 7.

14. The Owner acknowledges it must pay, indemnify, and save harmless The Perth Mint from and against any tax or other levy imposed by any governmental agency, now or in the future, in respect of ownership, transfer, liquidation or delivery of the Commodity.

15. The Owner warrants that all identification material provided to The Perth Mint for the purposes of verifying the Owner's identity is valid and correct.

16. The Owner acknowledges that the Certificate is issued to the Owner in accordance with the Conditions of Application and Terms and Conditions provided by The Perth Mint to the Owner, and the Owner confirms that it acknowledges and is bound by these Terms and Conditions.

17. The Owner acknowledges that the provisions of the Certificate are subject to the substantive laws of Western Australia.
